

Your Lifetime of Stories

This workbook is based on the presentation, *Your Lifetime of Stories ~ Ideas for Writing Memoirs*, written and presented by the Writers Foundation of Strathcona County (WFSC). The positive response received, and the request for more information, prompted members of the WFSC to compile the workshop details and comments into a workable format – so you could begin to collect your memories and share your story.

The practical tips included in the pages of this book will suggest to you ways you can identify, record, and organize your collection of memories so you can begin to write your stories. It is not a *how to write* but a *how to begin* workbook.

The WFSC

The Writers Foundation of Strathcona County (WFSC) was incorporated in the province of Alberta under the Societies Act in March 2005. As a not-for-profit, the group works to promote its special interests and the literary arts by encouraging membership and community participation.

Writers Circle

The WFSC Writers Circle meets the first Tuesday of every month throughout the year, at the [Strathcona County Library](#) in the Birch room. In a safe workshop setting, members are encouraged to share their writing, no matter genre, format or style. Feedback is given based on the request of the reader. It could be help with a word, a title or an idea. It could be structural critique, technical help or just an audience. The circle is open to all considerations. This format allows individual voice to flourish; encourages fellowship; fosters friendships.

Never Been Better

The WFSC was asked to manage and publish the popular Never Been Better page that appears in the Sherwood Park News the first Tuesday of each month - the two page spread celebrated 6 years in 2015 and it's all because of the popularity of the page and use by its target audience ~ our vibrant 55+ community. Thank you for your support!

Words in the Park

The WFSC takes over the helm of this popular event! In its 8th year, the Book Fair exploded into a full day event held during Alberta Culture Days in partnership with the Arts & Culture Council of Strathcona County. The 2015 sold out event featured 30 authors as part of a cultural community celebration!

Community

The WFSC is limited only by the level of its volunteer commitment: as we grow so will opportunities for our groups, our members, and the community.

In 2011, the WFSC was presented with the Pride of Strathcona Award in celebration of our contribution to the community in the category of Arts, Culture & Heritage. As we grow and take on new initiatives, hone our skills, and attract new members from near and far, we are just as committed to the local community and the literary cause. Over the past ten years, the WFSC focused its efforts on gaining public exposure while continuing to support its own members and community writers.
